REPORT OF M.D. COUNCIL FOR 1946

You will remember your mandate to us at our last meeting that a snow-plow be purchased. A plow and wing was purchased costing \$2,023.00. We have a large territory and it was necessary to keep the plow going continuously after a storm. Two men kept the plow operating day and night until the roads were cleared. This necessitated a truck to convey fuel and men. The costs have been high. The machine has been operated 260 hours at a cost of \$2.45, per hour; the total cost being \$637.00.

A No. 11 Cat. Patrol was traded for a No. 12 Cat. Patrol, the cash difference paid being \$17,644.00. Our snow-plow was installed on this machine. We also purchased a D. 4 Cat. and Traxacator costing \$7,485.00 which did very good work and was also hired out for 461 hours. It is an ideal tool to load gravel and for installing culverts. Four miles of new roads were built, 1½ miles opened, 44½ regraded, 13 gravelled and 13 regravelled. We received \$901.30 private donations from ratepayers which together with municipal monies gravelled 6½ miles additional roads. The latter co-operation from ratepayers, is in our opinion, quite fair as it demands no increased levy and the men who pay get the benefit. The Government grant for such work on a 50-50 basis is confined to Market Roads which with our monies is not sufficient to gravel other roads demanded although very necessary.

We would add that a new D.7 Cat has been ordered for sometime but delivery is doubtful. We have also ordered a tractor-mower outfit costing \$885.00 for use on roadside weeds and work in conjunction with our \$3,300.00 was made from private work this was not all profit as the expense of keeping up and renewing machinery is very hard.

AGRICULTURE SERVICE BOARD

This board is new and has done a lot of work in a quiet way in combatting the Hoary Cress Menace, putting on a warble fly spraying campaign and has supported Lard's Disease prevention and T.B. tests of cattle. Farmers have given their co-operation and some very satisfactory advances have been made in the control of bad weeds. Much of the work is confined to individuals and we do not wish to advertise details of individuals names. The Board will speak for itself when

U.F.W A. MEET

The regular meeting was held at the home of Mrs. A. Hildahl on February 13 with fifteen ladies present. Six more names were added to the membership list bringing the total to sixteen. The Treasurer's report showed a gratifying sum had been received from serving lunch at the U.F.A. dance on February 7, and after paying Convention and other expenses the financial position is satisfactory. Mrs. H. Downey and Mrs. H. Rasmussen gave full and interesting reports on the Convention and were pleased to announce the election of Mrs. C. Armstrong of Husar as our new Director. The meeting unanimously endorsed a resolution by the Alberta Educational Council that the Provincial Government pay fifty per cent of the cost of

SECOND MEETING 1947

Minutes of meeting of the Council on the Municipal District of Bow Valley No. 40, held in the Municipal Office, Strathmore, Tuesday, February 11, 1947, commencing at 10:15 a.m. PRESENT: Reeve James Harwood, Deputy Reeve J. M. Wheatley, and Councillors Emory Jackson and W. H. Hartell.

Moved by Wheatley that the Western Carriers and Contractors Ltd. be advised that now the winter season is well advanced that the gravel crushing at our Cluny Pit be abandoned until Spring when crushing and hauling can be done as one operation. Carried.

Covering the purchase of trucks by No. 71.

Jackson moved that 20 sets of 7½ x ½ in. blades with three inch bolts, 20 sets 7½ x ½ in. without bolts, and 5 sets 6½ x ½ in. with bolts be ordered from the Industrial and Road Equipment Ltd., Calgary, Alberta. Carried.

Wheatley moved that while we are obliged to concur with the Department of Lands and Mines, Edmonton, regarding the abandoning of our Mineral Rights Tax Recovery Proceedings Continued on Page Two

MUSICAL EVENING

Variety Musicales - proved a very fitting title for the delightful musical evening arranged by Mrs. Helen Boese and given to a thoroughly appreciative audience last Monday week.

Opening the program was a most interesting and excellently compiled commentary on the subject "Musical Composition in Canada," by Mrs. Boese who represents the Composers' Division of the Canadian Music Teachers Federation in Southern Alberta.

Two piano selections, difficult but Villenague were followed by three carefully rendered by Robert de soprano solos by Miss Arlene Flett accompanied by her sister at the piano. These revealed a sweet well controlled voice very sympathetic tone and very capable accompanying. Very warm

CARSELAND

The March meeting of the PB Club will be held at the home of Mrs. G. V. Seales on Wednesday, March 5 at 3 p.m.

Mrs. Vivian McKinnon and her two small sons are visiting at the home of Mr. and Mrs. Max Phillips while Benny is away at Camrose.

Benny McKinnon, who is now employed by Burns and Dutton Construction Company had a very interesting and enjoyable trip last week when the company's crew was flown to Notkewick, a town in northern Alberta. Trappers with their dog teams were the big attraction, says Benny.

Wilbur Melendy is able to be around again after his recent operation.

ENID BALDWIN QUEEN OF CARNIVAL

Monday night was cold but not clear for the Annual Ice Carnival sponsored by the Junior Hockey Club and his year the Community Council. Falling snow made quite a nuisance, since the ice had periodically to be dissolved and swept. A large crowd, but by no means a record, was present.

The carnival was started with a game of Broom-ball, with the members of the Legion pitted against members of the Lions.

Races resulted in the following winners: Boys 10 and under, Frankie Henderson; 12 and under, Gaymie Palardy 14 and under, Raymie Palardy, 16 and under, Irvin Korek; open, Irvin Korek. Girls: 10 and under, Imogene Thompson; 12 and under, Imogene Thompson Open, Evelyn Riddon.

One feature of the evening was the group of clowns who helped along with their antics and their costumes. Included among this group were Cpl. Mott, Charlie Harvey, Rowe Harvey and Bruce McKenzie. Special comment must be made over the "creation" which Cpl. Mott found in some hat-shop.

A great deal of merriment was produced when the Lions tried to out-guess the Legion in the tug-war on ice. In three straight sets the Legion again proved they were the better men.

One disappointing feature was the burning out of a coil on the public address system, necessitating the use of a private radio, which, though it helped tremendously, was not able to cope with the situation.

One feature of the evening much awaited by the crowd was the figure skating by the party from Calgary. This year's group, comprising last year's with a couple of additions, was even better than was that of last year, and the audience was very appreciative if their skill and their feats.

Judging of the costumes provided a bit of merriment, and helped to fill the interlude while waiting for the appearance of the Queen.

Candidate for the School, Miss Enid Baldwin, was chosen Queen of the Carnival and appeared shortly after the costume judging in a splendid royal robe of white and purple velvet, trimmed with gold, the whole surmounted by a golden crown. She was attended by two ladies-in-waiting, Miss Mary Fonger, and Miss Gwen Tew, and her train was carried by two pages.

On behalf of the town, deputy mayor G. H. Patrick read the address of welcome and of allegiance, which was graciously responded to by Queen Enid. She then presented prizes to the winners of the costume events.

Each of the Queen contestants was then presented with a handsome compact by the carnival committee.

Each of the Queen contestants was then presented with a handsome compact by the carnival committee.

Despite the extreme cold a large number were present and a very merry evening was enjoyed by all present.

Several rounds of Bingo were played after which a number of tables of whist were enjoyed, the prize winners being: High scores, Mrs. Anna Milbak and Mr. Tuffy Ramsay and consolation, Miss Rhoda Wolrdum and Johnny Scheer.

An abundance of choice refreshments were served and a jolly hour spent over the coffee cups.

Very pleasing features of the evening followed when Mr. Bill Morgan on behalf of the guests assembled presented Mr. and Mrs. Garriott with a lovely walnut coffee table and Snooker's Stand, accompanied by the good wishes of their many friends for all happiness for the future.

Next Mr. Neil Weaver on behalf of the guests presented Mr. and Mrs. H. Schumann with a fine Mantel Radio also extending all good wishes for a happy and prosperous future.

Both Mr. Garriott and Mr. Schumann very warmly expressed the sincere thanks of themselves and their wives for the beautiful gifts and the good wishes expressed.

For They Are Jolly Good Fellows was heartily sung.

Dancing to the strains of music supplied by the orchestra and Mr. Aitken of Namaka passed the time all too quickly and Good-byes were said in the sma' hours.

The committee arranged the happy event desire to thank very specially the many friends for their generous assistance and also for braving the

THE OUT-SIDE

RED CROSS NEEDED AS MUCH IN PEACE, SAYS LORD ALEXANDER (OTTAWA, February 21 - Declaring that the humanitarian work of the Red Cross is needed "every bit as much in peace as it is in war," His Excellency the Governor-General, the Viscount Alexander of Tunis, today asked all Canadians to give their generous financial support to the appeal for \$5,000,000 for peacetime work. The campaign opens across Canada on March 3.

MRS. E. ENGLUND DIES

Mrs. Amanda Englund, one of the pioneer settlers in this district, passed away early Wednesday morning at her home in Calgary, 1406 Kensington road. Rev. Dr. J. I. Garden and Rev. A. A. Hamilton will conduct services in the Strathmore United Church on Friday afternoon at 3:30 p.m. Interment will follow in Strathmore Cemetery.

Mrs. Englund was born in Smoland, Sweden, and went to Hector, Minn. when she was nine. She moved to Strathmore in 1910 and lived there until moving to Calgary a year ago. Mrs. Englund was a charter member of the Swedish Covenant Mission church in Calgary.

She is survived by three daughters, Mrs. P. Strandberg, Strathmore, Anna Englund and Ellen Englund, both of Calgary; two sons, David of Strathmore and Adolph, Calgary, and six grandchildren. She was predeceased by her husband, Eric, in 1932; a daughter, Alice, in 1934; a daughter Hulda in 1945; and a son, Fritz, in 1942 in Calgary.

Funeral arrangements are in charge of Melniss and Holloway.

M.D. BOW VALLEY

Jackson moved that the lease for gravelpit lands L.S. 3 and 4 of 1-23-21-4th. to Mrs. Julia Gauthier of Cluny and L.S. 5 and 6 of 36-23-22-4th. to Goutrau Chartrand of Gleichen, for the year 1947, be approved. Carried.

Wheatley moved that the amount of our equalized assessment effective 1947 be appealed to the Alberta Assessment Commission on the grounds that it does not bear a fair and just proportion to the equalized assessment values of neighboring districts and that equalized assessment values of all neighboring districts have not been received. Carried.

Moved by Hartell that we engage George Peterson of Namaka to operate our D. 7 Cat and Le Tourneau Scraper and that he report for work the first day of April or when the season opens. Waives to be agreed upon before he begins work. Carried.

By-law No. 72, purchase of the All-Chalmers Model B. Highway-Mower.

Tractor 16.3 Belt H. P., 13.5 Drawbar H. P., with power take off, pulley, lights and starter. Price \$985.00 f.o.b. Calgary, Alberta. Order subject to cancellation.

It was moved that by-law No. 72 be given a first and second reading. Carried.

Jackson moved that there are three farm organizations in this Province and while there has been talk of amalgamation the indications are that those organizations are far from getting together. As a Council we are not prepared to pass a by-law to provide a grant to any one farm organization neither are prepared to consider such grants until a substantial majority of our ratepayers petition the Council to do so. Carried.

Sale of lots 37, 38 and 39, Block 2, Plan Chancellor 550 A.M. Excepting thereout of the said Lots 38 and 39 the Northernly 70 feet thereof, to Bernard L. Host of Chancellor, for \$26.00, cash. Reserving unto the C.P.R. all mines and minerals and the right to work the same.

It was moved that by-law No. 73 be given a first and second reading. Carried.

Wheatley moved that the Dept. of Public Works be written through Mr. P. J. Graham, District Engineer, Calgary, and that the bridge material on the ground or bridge W. 25-23-24-4th. and that the bridge crew left this site the season of 1946 to allow water to be drained from an adjoining dam and failed to return. That we are anxious to have this bridge built before the spring run off also to have the two bridges moved to new sites that were authorized last year. Carried.

Jackson moved that a new hose and other necessary repairs be purchased for our power sprayer. Carried.

It was moved by Wheatley that Mr. Harwood attend Bow Valley School Division No. 43 Budget Meeting at Cluny in lieu of Mr. McArthur who is in the U.S.A. Carried.

COUNCIL'S REPORT

against the Mineral Rights owned by the Canadian Land and Ranch Co. Ltd., municipality and write off \$487.72 arrears of taxes, and accept this loss of revenue; we, at the same time protest to the Minister of Lands and Mines and ask for a grant in lieu thereof pointing out that the action of the Province, in 1941, in taking this source of revenue from Municipalities, was unfair. Carried.

The time comes. The programme cost \$2316.00 and we expect to earn \$950.00 from the Province on our agreement. You will note the warble fly spraying was paid by the users and the cost of the machine and the cost of the power sprayer was removed. Twenty-four miles of road was seeded with crested wheat grass and \$300.00 was spent for chemical.

FINANCIAL STATEMENT

Our financial position has slightly improved, while our revenue account shows a deficit for the year of \$6148.68 our capital expenditures from revenue \$18,687.27 was credited to Capital Assets. The difference less current depreciation and machinery sold increased our Capital Assets by \$7,509.90 and our years financing was \$2,864.00 to the good. Our surplus of \$118,322.00 together with Capital Assets of \$41,914.00 shows an overall surplus of \$160,216.00. We also wrote off by increasing our reserve for uncollectable taxes, \$2,500.00. Those uncollectable taxes are mostly arrears on vacant subdivided property.

ASSESSMENT

Our General Assessment for 1945 effective 1947 shows an increase of 10.43% on lands. Our figures \$5,146,040, for land has been confirmed. We have not received the equalized assessment figures for all the adjoining districts but from what information we have we are of the opinion that our equalization is too high. We had 60 days to appeal from December 31st, 1946, and our appeal has been registered.

EDUCATION COSTS AND SOCIAL SERVICES.

You will understand the position of School Trustees whose function is to provide educational facilities to our children. Their job has become increasingly difficult on account of the teacher shortage and they find themselves confronted with increasing expenses which they in turn are obliged to pass along to us who have to meet the school requisitions. Two resolutions in this connection are to be included in our agenda.

This is a brief outline of the business of the year excepting the winter's work of overhauling machinery and the purchase of a new one half ton Fargo Truck and a Trailer. We shall be glad to answer all forthcoming questions and thank you for your support which has made all this possible.

Under The Street Lamp

by PAT O'HOOLEY

Frank blushed: "I dug this hole where I was told to, and began to put the dirt back like I was supposed to. But all the dirt went 'n' go in. What'll I do?"

P. Groux pondered and then said: "I have it. There's only one thing to do. You'll have to dig the hole deeper."

It is claimed by certain authorities that darkness makes man marry first. But Earl Barker suggests that it is the light-headed ones.

Ruby Field: "Here's a story about a man who married his wife for a horse. You wouldn't want to trade me for a horse, would you, darling?"

Blair: "Of course not (pause). But I'd hate to have anyone tempt me with a brand new Studebaker."

Frank Peebles: "Don't you smile at your troubles as I advised you?"

Hugh Berry: "Yeah, and the boss warned me three times to wipe that silly grin off my face and get to work."

After finishing his dinner, Don Gillies went to the hot water tap and carefully rinsed out his tea-pot. Ray Ferguson watched him do this three times, then said:

"I say, Don, don't you know there's a shortage of water?"

"I know that," said Don haughtily. "I read the papers, don't I? It's cold water they're short of, not hot."

An elderly minister thought it advisable to marry. Calling on one of his elders to inform him of his intention, he said: "You see, I'm an old man now and I cannot expect to be here very long, so I feel that when the time comes I would like to have someone to close my eyes."

"Aweel," replied the elder, "I've had two, and I can tell ye they opened mine."

Mrs. Little: "It was a perfectly balanced meal, Lloyd. The hamburgers and the cake weighed about the same!"

At a recent council meeting there had been some discussion regarding the type of milk which should be provided for the school children.

To conclude the debate, George Smith rose to his feet. "Gentlemen," he declared, "what this town needs is supply of fresh, clean milk, and the council should take the bull by the horns and demand it."

Among the Standardites who motored to Banff for the week end, were Mr. and Mrs. M. Costella, Mr. Hans Costella, Mr. and Mrs. Jens Costella, Mr. and Mrs. Tom McGowan, Mrs. Alice Miller, Mr. Willie Nelson, Mr. Bill Kimmett, and Missers Melvin and Stanley Costella.

Miss Benita McGowan has gone to Calgary where she has taken a job.

The Dorcas Society met at the home of Mrs. Betty Hansen last Wednesday. A Bible Study on the subject—"A Woman who is always Wanted," was discussed. At the close of the meeting a delicious lunch was served by the hostess. The next meeting will be held at the home of Mrs. Elma Rasmussen.

The Young Peoples Society met at the home of Mr. and Mrs. Sven Jensen last Sunday evening.

NIGHTINGALE

By Mrs. F. H.

Mrs. E. M. Stoodley was hostess to the Women's Institute at the hall last Friday. Current events were given in answer to the roll call. Blocks for the new quilts were distributed and the ladies were busy with their needles throughout the meeting. Mrs. Don Douglas and Mrs. Jack Stoodley were chosen as delegates to the conference in Calgary on March 6. A letter from the provincial President urged everyone to save and gather clothing so much needed by orphaned children in Europe. Mrs. L. G. Kinney was welcome as a new member. A dainty lunch was served to fifteen members and one visitor.

We were sorry to learn that Mrs. Christofferson is ill in a Calgary hospital.

The masquerade dance sponsored by the Goon Club last Friday was a decided success. There were more than twenty in costume and the judges had a difficult task. The prizes were awarded as follows. Best dressed lady Mary Melnechuk in a lovely white embroidered Czechoslovakian native dress. Mrs. Fred Hilton, best home made, represented a little old fashioned lady. Best Comic lady was Mrs. Mark Lounsbury as Manda (a colored lady). The original prize went to Ronald Hilton as a trapper. Mr. Oliver Christofferson was best dressed man in Spanish Cavalier costume. The best comic man was awarded Mrs. D. Osborne who was truly disguised as a western gentleman of the nineties. The Kinney-Payne orchestra furnished the music and the dance lasted to an early hour.

Mr. and Mrs. Carl Friesz returned Sunday from a trip through Missouri and Kansas. They visited with Mrs. Friesz's parents Mr. and Mrs. L. G. Kinney.

Mr. and Mrs. Art Farr of Cochrane visited with Mr. and Mrs. Don Murray one day last week.

Jack Meston spent a few days in the hospital where he parted with his tonsils. He is home again but not saying too much.

Little Bruce McLean celebrated his sixth birthday by inviting in all his young friends. There was an abundance of good eats and a really good time was had by all.

Talk on Bible Society

Rev. A. S. Wood gave a forceful talk
on the important work of the Bible
Society and the necessity of carrying
on and increasing this branch of the
Church's work. Following his ad-
dress in the United Church he display-
ed pictures of life and difficult task
Church. The pictures showed the
difficulties encountered in having the
Bible printed in English and Tyndale's
resultant martyrdom.

THE WORK OF MERCY NEVER ENDS

It would take volumes to detail all of the great work
YOUR dollars help to do through the Canadian Red
Cross. The lifesaving civilian Blood Donor Service ...
Canadian Outpost Hospitals and Nursing Stations ...
Home Nursing and Emergency Reserves ... Disaster

fields of mercy. Every dollar you give represents YOUR
share in these "deeds of mercy".

EVERYBODY'S
BUSINESS

In Canada, we think rightly that we have one of the best democracies, but few of us ever stop to think how the vital things of life are protected and made secure for us.

A thoughtful friend, who does as much good as anyone I know, said to me: "Don, do you realize what it means to you and to me, and to millions of other Canadians, that we can take it for granted that Life Insurance is safe? There are 4,000,000 Canadian owners of Life Insurance and the number is growing every day."

The sound reputation of the Life Insurance companies in Canada means that you can pick your plan, your kind of policies and your company, — no wonder millions of Canadians invest with complete confidence.

Life Insurance is a business built for everybody, a great enterprise which protects the future of more than four million policyholders and their loved ones. Life Insurance offers a systematic and easy way to save. Consult an authorized agent about a plan best suited to your requirements.

USE CAR IN HAULING SCREENINGS

Seed-cleaning time is here, and with it a very dangerous practice has been reported. Following cleaning of their seed grain at local seed cleaning plants or country elevators, some farmers are hauling screenings in open wagon or truck boxes. On windy days many of these seeds are blowing off the load and lying in wait for the spring warmth and moisture along the roadside or on neighbouring fields.

Hauling weed seeds in this manner is not only contrary to The Noxious Weeds Act, says H. J. Mather, Supervisor of Soil Conservation and Weed Control, but it shows very poor management on the part of the offender. Many of our most troublesome weeds have been spread in this way.

More care is urged in transporting

screenings. Move them either in tied sacks or in a tight box covered with a tarpaulin.

WHY GROW FLAX

In spite of the present guaranteed price for wheat, Alberta farmers are not losing sight of the possibility of a future surplus. They are looking for other crops that may be equally profitable and will at the same time fit well into the farming programme. In the choice of such crops, officials of the Field Crops Branch suggest that flax should have a high priority where clean land is available. This is especially true in Southern Alberta where our largest wheat acreage is sown. Flax is not damaged by saw-flies and may very satisfactorily replace some of the wheat acreage in that area.

Besides proving profitable if grown on suitable land, flax produced in 1947 will help to relieve the present serious shortage of fats and oils. Only ninety thousand of Alberta's cultivated acreage was sown to flax in 1946. It could well be increased to at least three hundred thousand acres this year. Every bushel will be needed.

Farmers who have not grown flax previously may consider the price of

seed high in relation to that of seed wheat. The cost per acre however, is not unduly high, since the rate of seedling is only 25 to 30 pounds per acre. If seed is hauled from a distance, this light rate of seedling is also an important factor in transportation. The average farm truck will carry on one load enough seed for a considerable acreage.

CARSELAND

The Ladies Aid met at the home of Mrs. G. B. Field with a good group in attendance. Miss West gave an interesting talk on mission work in India. Mrs. R. Barlow and Mrs. W. Gillespie served.

Miss Helen McKinnon spent the weekend at Carseland with her parents.

Miss Catherine Lausen and Miss Verla Lausen have accepted positions on the staff of the Blackie Cafe. Good luck girls, on your new position.

A recent change on Main Street was the succession of Bud Christensen to Robert Lennox in the local grocery business. Bob is going to specialize in tractor and auto repair service. The community wishes you the best of success in your new position.

Mr. and Mrs. S. G. Lennox were weekend visitors with his mother, Mrs. Lennox Sr.

We are sorry to report Mr. A. Shoemaker is back in the hospital and we hope for a speedy recovery.

Mr. Martin Christensen spent last week visiting with Mr. and Mrs. W. Wilde of Okotoks.

Miss Margaret Jamieson spent the weekend at home from Olds.

We are glad to report that Mrs. L. Kruse is progressing very favorably after her recent operation at Rochester. The Carseland midgets put on a good show in Strathmore last week when they beat the latter 9-1.

Carseland Juniors didn't fare out so well in Strathmore last week when Belseker took the honors with a score of 6-4.

The most successful dance sponsored

by the Carseland Students' Union was held Friday February 21. There was a good crowd in attendance and everyone had a good time. A door prize and spot dances were features of the evening. The executive of the Students' Union wish to extend a vote of thanks to all those who helped in any way to make the evening a success.

Our men and women back from the world battlefields often tell how the Red Cross was there to aid and comfort them—oftentimes to save their lives. Now the Red Cross asks those who extended such solid support during the war years, to help keep the Red Cross strong in peace.

Today there are thousands of sick and disabled veterans who need the con-

tinued help and friendship of the Red Cross. Isolated frontier communities need Outpost Hospitals and nursing service—their only medical aid. Crippled children's hospitals must be maintained and expanded. Men, women and children across Canada need the Blood Transfusion Service the Red Cross has started to supply.

Will you continue to lend your help to sick and suffering humanity? The Red Cross work is your work.

LANGDON

— By G. E. W. —

On Monday evening, February 17th, the W. I. held their regular card game when 7 tables were in play. An enjoyable evening was held, the winners being: Ladies high, Mrs. L. Anderson, Ladies second, Mrs. S. Dain, Gents high, Mr. A. F. Heckie. Lunch was served by the committee.

Tuesday evening the H. & S. met at their regular meeting. Mr. Dick Bittle opened the meeting and the minutes were read by Mrs. H. Wilson, acting secretary. Flowers are to be sent to Mrs. G. Crilly and Mr. Ray Wilson, who are at present in hospital in Calgary. After the business was dealt with a Quiz Contest was won by Miss A. Hall. Lunch was served by Mrs. J. Nicholson and Mrs. J. Colwell.

At the regular meeting of the W. I. held in the hall on Wednesday afternoon, Feb. 19th, 21 members were present. One new member was welcomed to our midst, Mrs. B. Thomas of Indus. The meeting was opened by Mrs. L. Anderson (acting president) and O Canada was sung. Minutes of the last meeting were read. We are sorry to have to report that Mrs. Ed. Stuebe, who has just returned from an extended visit to the States, is at present a patient in a Calgary Hospital, where she is under very serious operation. Also Mrs. G. Crilly, we hope these members continue to make satisfactory progress and their stay in hospital will not be long. Best wishes from all the members, and "Hurry up and get well."

During the afternoon a C.B.C. radio broadcast was heard from Stoney Creek, Ontario, celebrating the Golden Jubilee Banquet of the Women's Institute of Canada from 1897-1947. Several interesting speakers were heard, dealing with the history of the Women's Institute. We were very glad to be able to listen in on such a celebration knowing that we are part of such a large organization.

A paper on Home Economics was read by Mrs. C. Stevens and a short poem concluded her paper, which was much enjoyed.

At our next meeting March 5, we are pleased to announce that Mr. Hargroves of the Brooks Experimental farm will be our guest speaker, dealing with gardening etc. All those interested are invited to attend so please pass the word around. Lunch will be served that afternoon, by the W.I. Mrs. Brander and Mrs. J. Bates were hostesses, and served a tasty lunch. Roll call was a Laundry Hint, and answered by all.

On Thursday evening of last week Mr. and Mrs. Moe were hosts to a number of their friends at a 500 card party. Five tables were in play and the winners of the evening were: Ladies High—Mrs. C. V. Scott, Ladies Consolation - Mrs. W. Braden, Ladies Travelling - Mrs. A. Bates, Gents High - Mr. P. Dein, Gents Consolation - Mr. L. Bittle, Gents Travelling - Mr. A. F. Heckie. And to the highest couple for the evening Mr. and Mrs. George Whitney were the lucky pair.

A delicious lunch was served by the hostess bringing a very happy evening to a close.
